

SGA_Interval

```
graph BT; KCoreData[KCoreData] -.->|time| SGA_Interval[SGA_Interval];
```

The diagram consists of two rectangular boxes. The top box is white with a thin grey border and contains the text 'SGA_Interval'. The bottom box is grey with a thin black border and contains the text 'KCoreData'. A dashed purple arrow points from the top of the 'KCoreData' box to the bottom of the 'SGA_Interval' box. To the right of the arrow, the word 'time' is written in a light grey font.
